

HAVE YOU BEEN DIAGNOSED WITH BIPOLAR DISORDER?

DO YOU STRUGGLE WITH YOUR WEIGHT, BLOOD PRESSURE OR CHOLESTEROL LEVELS?

If you answered YES... Then you may be eligible for a Research Study.

Researchers at the Mood Disorders Psychopharmacology Unit at the University Health Network are examining a new investigational medication for the difficulties mentioned above.

University Health Network

Do you meet the following criteria?

- age 18 – 60
- currently taking medication for Bipolar Disorder
